To say there is a reason they say that time will heal but neither  
time nor reason will change the way I feel, for no one knows the  
heartache that lies behind our smiles.

We want to tell you something so there won't be any doubt you're

It broke our hearts to lose you, you did not go alone for part of us went with you, the day God called you home. You left us beautiful memories, your love is still our guide and although we can not see you, you are always by our side. Our family chain is broken and nothing seems the same. The Day God Took You Home  
A million times I've needed you  
A million times I've cried.  
If love alone could have saved you, you never would have died.  
In life I loved you dearly,  
In death I love you still.  
In my heart you hold a place,  
No one else can ever fill.

But you didn't go alone  
Part of me went with you,  
The day God took you home.

*We don't need a special day to bring you to our minds, the day we do not think of you is very hard to find. They say time heals all sorrow and helps us to forget; But time so far has only proved how much we miss you yet. God gave us strength to bear it, ad courage to take the flow; But what it meant to lose you, no one will ever know. Always remembered.*

*Loved and deeply missed by your wife Marlys, Lori & Bill, Lynn & Patty, Lisa & Greg, Leanne & Brian*

**In Loving Memory of Marvin Cervene (Sparrow) 08/18/29-03/22/14**

*The Sparrow  
He watches over me from the trees up above; His tiny eye fills with care and love  
A bird he is now; Free from the strains of the world  
Free like a bird.*

*His feathers are all cherished; His memory will never perish  
A bird he is now; Free from the hardships of the world  
Free like a bird.*

*The clashes and bangs used to haunt him; The ghosts of a naval ship  
A hero he was and always will be; Free from the terror of his past  
Free like a bird.*

*Quietly perched in the tree; A little bird watches over me  
All the worries are gone; The fears and the hardships too  
The sparrow finally gained his wings; He is now free  
Free like a bird.*

*You fought for every breath you took, Never letting go, Until one day God made you His, Leaving all of us below.*

In 1959 our son was born. In 1962 we added a daughter too. They added to our joy of life from childhood through college life, and much more. Our love grew even deeper as the years went by, we knew that one of us would have to say goodbye. It came suddenly when she was summoned to her heavenly home. She is in a better place I know but oh! It's so hard! To let her go. Wasn't God good to us?*

## Going Home

*In Loving Memory*  
**Pete Prochaska**  
 7/6/36 - 1/30/16

*Miss Me-But let me go  
 When I come to the end of the road and the sun has set for me,  
 I want no rites in a gloom filled room,  
 Why cry for a soul set free?  
 Miss me a little...but not too long  
 And not with your head bowed low.  
 Remember the love that we once shared,  
 Miss me...but let me go.  
 For this is a journey we all must take and each must go alone.  
 It's all part of the Master's Plan  
 A step on the road to home.  
 When you are lonely and sick of heat  
 Go to the friends we know,  
 and bury your sorrows in doing good deeds...*

**Miss me...but let me go. Missing you, Phyllis Prochaska**
