

Mark Elliot

• **Wife and kids names:** Wife Shauna Elliot, Daughter Alysha Harlow

• **What is your most memorable racing experience?**

I have been very fortunate in racing & enjoyed many successes. The friends I've made by being involved in the racing is something I will always have and what really mean the most to me.

• **How did you first get into racing?** Racing go-karts beginning around age 7 as a way to spend time with my dad and family.

• **What advice would you give to somebody wanting to get into racing?** Find someone to be a mentor. Someone who can tell you how to do things rather than figuring things out for yourself by trial and error. This will save a beginning racer a lot of time & money.

• **Who have you looked up to in terms of your racing career or who is your racing hero?** Dale Earnhardt Sr. because he started at the bottom with virtually nothing and made it to the top his way. He had a strong passion for racing, and his competitiveness is still unequaled.

• **What is the worst accident that you have been involved in (if applicable) and were there any injuries involved?** Fort Dodge - June 2007. Rolled the car several times landing on the driver's door. I felt every bump & bruise for several days.

• **Do you race anywhere else and if so, where?** I have raced somewhere near 75% of the tracks in Iowa & several outside the state as well as through my career.
